ALL waypoints labeled **MANDATORY** require a Dated Business Receipt (DBR) for documentation. In addition to the mandatory waypoints, the EggSanity documentation requires a **photo of you, your flag, and your delicious EggSanity food**. The eat place employees are glad to take your photo so be sure to get the food in the photo! They already been previously conditioned, and by now are used to LDRider's weird requests (see below)!

A Dated Business Receipts must show: City, State, Date, and Time. **Start and Finish** DBR's must also show **Odometer mileage in photo (see below)**. For mandatory waypoints DBR's you must write your mileage on your DBR's and have it available at the Finish. If you do not have a camera phone bring all your DBR's for review at the Finish.

BE CERTAIN to get proof at any 'corners' or detours from a point to point routing from your start to your destination.

Proper photo: You, Your Flag, and your delicious Food. Smiling not mandatory!

Proper Start and Finish photo of your DBR and Odometer!
